

SKSR Board Luncheon

December 8, 2022

The board met at the Edmonds Pancake Haus for lunch. Erma provided her usual nice holiday favors for each person attending. She asked each of us to tell how we got into the field of education, our first position, and something funny that happened to us. It was interesting hearing each person's responses.

Jim presented one piece of business, because he needed to take it to the NW-1 meeting on January 9th, which is before our next regularly scheduled board meeting. Jim proposed changing the word Convention to Annual Meeting in the WSSRA bylaws. He said Annual Meeting is considered the standard wording for most organizations. Tom Hawkins moved for the suggested change in the WSSRA bylaws. The motion was seconded, and passed with one abstention to take this suggested bylaws change to the NW-1 meeting for endorsement.

Jim asked for names of those attending the NW-1 Zoom meeting on January 9th.

Karen McElliott gave a brief report about grants and the art museum field trip.
