

SNO-KING SCHOOL RETIREES
EXECUTIVE BOARD MEETING
DECEMBER 6, 2012

Those present: Jim Siscal, Erma Snook, Barbara Berg, Linda Fitzgerald, Virg Rayton, Donna Murrish, Bruce Caldwell, Rita Requa, Roberta Hawkins, and Cheryl Bauer

After the wonderful cookie exchange (YUM) and the melodic and harmonizing sing-a-long, we had a brief executive board meeting.

Jim read a note from Evie Nordeen regarding Bob, who is not doing well. He also mentioned that they had acquired six new members from Madrona and two new members from College Place Middle.

The majority of the rest of the meeting dealt with the upcoming publication of the new directory.

Special Committee: Jim appointed a special committee, consisting of Donna, Erma, and himself to decide what to do with the extra pages in the directory, and where it will be published. The price for the directory ranges, but with the mailing, it will be approximately \$2.00 for each directory. Jim gave us three print choices to select from. The 10 point (smallest) was voted for by everyone, but Cheryl. They will do 11 point size if it doesn't increase the cost.

When to mail: A mailing date was then discussed. January 28 is the next folding for the February bulletin, which will include legislative addresses. We need to work around this. Bruce will get the information the first week in January, and we will plan to do the stuffing on February 4. Jim will put in the April bulletin, that those who didn't want a directory but have changed their minds can let Erma know, and a directory will be sent to them.

How Many: There are 1274 currently in the data base. There are 85 opt outs and 51 pairs. There are 160 people for whom we have no working phone number or email address. These people will not get a directory unless they respond to Erma after reading Jim's message in the April bulletin. Bruce mentioned that he does the directory in a PDF, and he could send it to people that way. This also allows for updates every six months or so.

Highlights:

- ***Jim appointed the committee**
- ***February 4 for stuffing and mailing**
- ***Print 120 extra**
- ***Publish in April bulletin info so the 160 can get directory if they want**

Respectfully submitted,
Cheryl
