

SKSR General Meeting.

February 15, 2018

Co-President Jim Siscel called the meeting to order at 12:45 pm. He thanked everyone for coming.

Rita introduced Martha Clatterbaugh, Master Gardener for Snohomish County (Washington State University). Martha then gave a presentation on "What's Bugging You", "The Good, the Bad and the Beautiful".

After the presentation Jim announced that we will be going to a President-Elect office rather than the current Co-Presidents. He then announced that nominations for next year's officers is open.

Scholarship By-laws amendments were handed out. He explained that they clarified how we handle monies for the Winnie Smith Scholarships and the SKSR Scholarships. A motion was made to accept the Scholarship By-laws as printed. Motion seconded and passed.

Jim announced that the field trip in March will be a visit to the NOAA facility. Sign-ups are now being taken.

Jim went over some of the items that you can see when visiting the SKSR website.

The current Membership Directory is now available. He reminded everyone that it is only for use within the membership. It is not for business use.

There was a sign-up for the Scholarship Luncheon to be held in April.

Respectfully submitted

Jan Phillips, secretary
