

JUNE 1984

PRESIDENT'S MESSAGE

BY Bob Bisnett

I have just returned from two tours and an auto trip that took me to Greece, Turkey, Spain, Morocco and Portugal. I want to thank Betty Odle and everyone who helped cover my tracks. The first leg of the trip was with twenty people from Cashmere and Leavenworth. It was a once in a lifetime invitation I felt compelled to accept. I have turned down two others and have regretted it. What can I say now, having a poor grasp of matters at this point in time?

It seems like a good time to look ahead to coming events. The scholarship luncheon this month will be a first for us. You seem united in your desire to provide. We will be meeting in a new place. The funds provided will serve two very important purposes.

The first is scholarship. The second benefit is that of obtaining a face with the upcoming retirees. They know we are for real now. Our scope of organizational vision is trained to the future and our causes are just.

The part I like about this is that we can accomplish our goals and derive some enjoyment from the process of achieving them. There are two other thoughts also.

Your new officers will need the pledge of your support for next year and the tasks that lie ahead. I hope you can make it to the picnic in July and meet the new retirees.

Dear Mrs. Odle:

I would like to say a big "Thank you" to you and your Unit members for their assistance and help at the Shopping Mall Festival at Northgate on May 17, 18, 19, 20. Everything went like clockwork and helped to make this our first attempt a big success.

We had many good comments about the exhibits and the help that was given the many people who attended the festival.

I am certain that we all profited from our experiences and that you all helped to fulfill our motto "To Serve, Not To Be Served,"

Please extend my thanks to all your members for it is impossible for me to write a thank-you to each individual.

Thanks again for your assistance.

Sincerely,

/s/ Ralph D. Sellhorn, Coordinator

WHO'S JOB IS IT???

This is a story about 4 people named Everybody, Somebody, Anybody and Nobody. There was an important job to be done and Everybody was sure Somebody would do it. Anybody could have done it, but Nobody did it. Somebody got angry about that, because it was Everybody's job. Everybody thought Anybody could do it but Nobody realized that Everybody wouldn't do it. It ended up that Everybody blamed Somebody when Nobody did what Anybody could have done.
