

November 19, 2015 General membership meeting --- Scholarship luncheon held at the Edmonds Unitarian Church

At noon coordinator Cheryl Bauer welcomed everyone and then dismissed them to partake in the lasagna lunch catered by Spiro's of Shoreline.

At 12:30 Rita Requa introduced the guest speaker, Bob Ernst. He is the UW women's crew coach. He had a short video and discussed the program there at the University.

Cheryl called the meeting to order at 1:10. She thanked all the people who have helped SKSR be successful throughout the year. A survey was handed out that asked for the participants' reactions so that a field trip could be planned. The four choices were a trip to the Flying Heritage Museum, a wine tasting tour in Woodinville, a trip to McMenemy's and a tour of the crew facility at the UW. The Cookie Fest information was given and sign-ups for that were passed around. The service project, helping at Food Lifeline in Shoreline was also discussed.

The Dr. Larry François, the superintendent of the Northshore School District was introduced. He stated that Northshore has just a little less than 21,000 students. In the fall of 2017 they will be opening their fourth High School, North Creek. This is when they will go to a configuration of K-5, 6-8 and 9-12. They are in the process of planning for all these changes.

Income for the meeting is as follows: Lunches \$215, Drawing \$154 and Donations \$45; Total \$465.

Expenses for the food: cost of the lasagne was \$591.30 and the left over was sold for \$51. Cookies cost \$36.96

Respectfully submitted
