

May Luncheon

May 19, 2023

Barbara Bumgardner welcomed attendees to the luncheon. Attendees enjoyed a Chef Dane catered lunch of shepherd's pie, roasted vegetables, green salad, and Focaccia bread.

After lunch, Barbara Baumgartner introduced Dr. Susana Reyes, superintendent of Shoreline School District, and Kathie Schindler, her executive assistant, and thanked them for facilitating SKSR's use of the facility. She then introduced Dr. Rebecca Miner, Superintendent of the Edmonds School District. Finally, she introduced Dottie Metcalf-Lindenberger, former NASA astronaut, who spoke about her journey from being a 10-year-old attending space camp and dreaming of going to space to her experiences on the International Space Station and then the NASA extreme Environment Mission Operation off the Florida coast. After a question-and-answer period, Barbara presented Dottie with a certificate and a \$200 honorarium.

Following the presentation, Cathy Webb presented the slate of candidates running for SKSR Board offices for the 2023-2024 school year: Vice President Cathy Webb, Secretary Jan Phillips, and Treasurer Jennifer Altena. Rita Requa moved that the member present accept the proposed candidate. Linda Fitzgerald seconded the motion. Cathy called for an oral vote. The motion passed by acclamation; there were no nays or abstentions.

Attendees were reminded of the July picnic at the Edmonds City Park. The meeting was dismissed.

Respectfully submitted,
Karen McElliott
