

SKSR GENERAL MEETING SEPTEMBER 16, 2010

A general membership meeting of the Sno-King School Retirees was held September 16, 2010, at O'Donnells Restaurant in south Everett. Erma called a brief meeting to order at 12:30. Dick Anderson, our regional representative from NW 1 region to the state WSSRA Board, was introduced. He spoke briefly about legislative issues.

A motion to approve our slate of officers was made by Jim Siscel and seconded. The motion passed. These officers include the following: Co-Presidents: Erma Snook and Rachel Lake; Vice President: Roberta Hawkins; Secretary: Cheryl Bauer; and Treasurer: Donna Murrish.

Erma then introduced the rest of the executive board members that were present. She also spoke to the Governor's Health Bowl which begins Saturday, September 18. All are invited to join.

Aaron Feik spoke to his involvement in the group Friends of the Hidden River. He invited us to tour the Brit Water Site and made available the use a conference room at the facility for a future meeting.

We discussed the upcoming directory. The board was looking for direction regarding the size, stapled or spiral, doing a full directory now and then adding updates over the next 2-5 years and other thoughts. It was left that the board could use their discretion in making the final decision.
